Art work will be on display for the TOTAL ECLIPSE CELEBRATION on Monday April 8. Total eclipse will begin at 12:39 p.m. Total eclipse at 1:56 p.m. and will last 4 minutes, 6 seconds. We will open the celebration at 10:00 a.m. with a DJ sound system on the grounds of the museum. Free setup to the public on a first come, first "sit" basis. Bring your chairs and enjoy the spectacle in a less crowded, culturally thrilling atmosphere. Fine art, fine food, and fine friends! There will be art opportunities and perhaps a bounce house for the kiddies!

Greg Kirk and his crew will be back serving fabulous food and selling to the public as a United Gospel Rescue Mission fundraiser. The phenomenon will be directly overhead, so viewing will be great from our location.

There will be several categories for prize money and the High School Juried Regional art will be on display, as well as the public at large competitors.
