8:30 am– 9:30 am– Gardening

Greenhouses, flower arrangements and flower beds. Enjoy activities and opportunities working with flowers inside and outside. Learn techniques in flower arranging, pest management and plant science. Whether you live in a high-rise apartment or have a large yard, this project has something fun for you.

9:30 am--10:30 am– Kids in the Kitchen

Kids in the Kitchen encourages young people to eat healthier meals and snacks as a result of hands-on cooking experiences. Youth participants learn to prepare simple, healthy foods they can make for themselves and their family members.

10:30 am-11:00 am Embryology

Identify poultry parts, species and breeds, selection, egg handling, washing and showing are all parts of this workshop. Youth will be able to incubate chicks and watch them hatch over a 21 day period.– This will be hands on!

11:00 am– 12:00 pm– Beekeeping

You will learn about the types of bees, the honey and wax they produce, the plants that attract bees, and the equipment a beekeeper needs.

Special Interest clubs (SPIN) will be held in July. Participants will get in for the discounted 4-H rate. Call 686-8064 for the schedule and information.

Survival Camp will be held the first week in August with separate registration. Watch for details soon!
