**Join us at the library for the
Book a Trip Reading Program and
make your way across the United
States by reading!**

**Visit each state by reading a book
that either takes place in that state,
is about that state, or is by an author
who is from that state.**

**For each state you complete, you will
earn an entry to win an iPad!
You'll also earn entries for every 20
minutes you spend reading!**
